LA VALEUR DU FSC® POUR

L'EMBALLAGE

NOTRE EMBALLAGE SOUTIEN DE MEILLEURS RÉSULTATS POUR LES FORÊTS, LES PERSONNES ET LES ENTREPRISES.

Zéro déforestation

Bien que les arbres soient récoltés, il n'y a aucune perte nette de forêt au fil du temps

Protection de l'environnement

La certification FSC exige que la biodiversité soit maintenue et que les zones de grande valeur de conservation – y compris les forêts anciennes – soient protégées

Droits des peuples autochtones respectés

La certification FSC exige que les habitants des forêts soient consultés et impliqués, et que leurs droits culturels soient maintenus

Salaire équitable et environnement de travail pour les travailleurs

La certification FSC exige une formation, la sécurité et des salaires décentes pour tous les travailleurs

MEILLEURS PRODUITS POUR LE VIN & LES COCKTAILS

Nous offrons une large gamme de produits de haute qualité conçus en Espagne.

70 % de nos produits bénéficient de brevets de design industriel international et 60 % sont fabriqués en Europe.

Nous sommes engagés envers le bien-être des personnes et la préservation de la planète.

ES | Nuestra tecnología de doble apoyo automático es una patente original que revoluciona el clásico sacacorchos de dos tiempos. Solo nosotros tenemos el privilegio de fabricar y vender esta maravilla de la ingeniería, gracias a su protección exclusiva.

No te conformes con sacacorchos comunes, elige la innovación, elige el sacacorchos Koala con doble apoyo automático. ¡Una auténtica obra maestra en la apertura de botellas de vino que solo encontrarás aquí!

EN | Our double automatic support technology is an original patent that revolutionizes the classic two-step corkscrew. Only we have the privilege to manufacture and sell this engineering marvel, thanks to its exclusive protection.

Don't settle for common corkscrews, choose innovation, choose the Koala corkscrew with double automatic support. A true masterpiece in wine bottle opening that you'll only find here!

PT | Nossa tecnologia de suporte duplo automático é uma patente original que revoluciona o saca-rolhas clássico de dois tempos. Somente nós temos o privilégio de fabricar e vender essa maravilha da engenharia, graças à sua proteção exclusiva.

Não se contente com saca-rolhas comuns, escolha a inovação, escolha o saca-rolhas Koala com suporte duplo automático. Uma verdadeira obra-prima na abertura de garrafas de vinho que você só encontrará aqui!

FR | Notre technologie de double support automatique est un brevet original qui révolutionne le tire-bouchon classique à deux temps. Seuls nous avons le privilège de fabriquer et de vendre cette merveille de l'ingénierie, grâce à sa protection exclusive.

Ne vous contentez pas de tire-bouchons ordinaires, optez pour l'innovation, optez pour le tire-bouchon Koala à double support automatique. Un véritable chef-d'œuvre dans l'ouverture de bouteilles de vin que vous ne trouverez qu'ici!

IT | La nostra tecnologia di supporto doppio automatico è un brevetto originale che rivoluziona il classico cavatappi a due tempi. Solo noi abbiamo il privilegio di produrre e vendere questa meraviglia dell'ingegneria, grazie alla sua protezione esclusiva.

Non accontentarti di cavatappi comuni, scegli l'innovazione, scegli il cavatappi Koala con doppio supporto automatico. Un vero capolavoro nell'apertura delle bottiglie di vino che troverai solo qui!

DE | Unsere Technologie des doppelten automatischen Supports ist ein Originalpatent, das den klassischen zweistufigen Korkenzieher revolutioniert. Nur wir haben das Privileg, dieses Meisterwerk der Ingenieurskunst herzustellen und zu verkaufen, dank seines exklusiven Schutzes.

Setzen Sie sich nicht mit gewöhnlichen Korkenziehern zufrieden, wählen Sie die Innovation, wählen Sie den Koala-Korkenzieher mit doppeltem automatischen Support. Ein wahres Meisterwerk bei der Öffnung von Weinflaschen, das Sie nur hier finden werden!

TIRE-BOUCHON PREMIUM TITAN

TITAN DOUBLE LEVER CORKSCREW

PRODUCT: 135x12x30 mm
 (Steel) 0,16 kg - (Wood) 0,085 kg
 PACKAGING (1 unit): 186x35x72 mm
 (Steel) 0,271 kg - (Wood) 0,197 kg
 MASTER "S" (6 packs): 170x125x250 mm
 (Steel) 1,748 kg - (Wood) 1,304 kg

Stainless Steel, (Wood) and Teflon

ES | La evolución de nuestro sacacorchos de dos tiempos automático. Ahora, más resistente, más grande y más pesado, con cuerpo de acero inoxidable.

EN | The evolution of our automatic double-lever corkscrew. Now, more durable, larger, and heavier, with a stainless steel body.

PT | A evolução do nosso saca-rolhas automático de dois tempos. Agora, mais resistente, maior e mais pesado, com corpo de aço inoxidável.

FR | L'évolution de notre tire-bouchon automatique à deux temps. Maintenant, plus résistant, plus grand et plus lourd, avec un corps en acier inoxydable.

IT | L'evoluzione del nostro cavatappi automatico a due tempi. Ora, più resistente, più grande e più pesante, con corpo in acciaio inossidabile.

DE | Die Evolution unseres automatischen Zweistufen-Korkenziehers. Jetzt robuster, größer und schwerer, mit einem Körper aus Edelstahl.
