Medard de Noblat

Préambule à la dégustation, la table doit capter le regard pour aiguïser l'appétit, enchanter le repas et insuffler un supplément d'âme à votre intérieur.

Créateur de vaisselle en porcelaine et en grès, Médard de Noblat vous invite à découvrir la richesse de ses collections :

- Des collections de porcelaine et grès, chaleureuses, sensuelles et dans l'air du temps pour partager d'intenses moments de table au quotidien.
- Quelques collections en porcelaine de Limoges réputées pour leur finesse, leur légèreté et leur résistance dans le temps, pour créer une table d'exception remarquable de raffinement. (Articles mentionnés dans le catalogue avec le symbole L).

Découvrez la diversité et la richesse de nos gammes d'articles : assiettes, bols, mugs, objets de service et verres qui s'associent pour des mises en scène de tables actuelles et exclusives.

Que les formes soient sobres et pures, organiques ou plus architecturées, leur précision, la vibration des teintes, la force narrative des textures et des émaux vous permettent de composer une table de caractère qui met en valeur vos créations culinaires ainsi que votre intérieur.

As a preamble to the tasting experience, the table should catch the eye to whet the appetite, enchant the meal and add a touch of soul to your home.

As a creator of porcelain and stoneware tableware, Médard de Noblat invites you to discover the richness of its collections:

- Porcelain and stoneware collections that are warm, sensual and in tune with the times, to share intense moments at the table every day.
- A few Limoges porcelain collections, renowned for their finesse, lightness and durability, to create an exceptional table of remarkable refinement. (Items mentioned in the catalogue with the symbol L).

Discover the diversity and richness of our product ranges: plates, bowls, mugs, serving pieces and glasses that combine to create contemporary and exclusive table settings.

Whether the shapes are sober and pure, organic or more architectural, their precision, the vibrancy of the colours and the narrative force of the textures and glazes allow you to create a table of character that enhances your culinary creations and your interior.
